

February 2024

Dear Families

There is an online session available for you to attend on Thursday 7 March from 5.30pm to 6.30pm which will provide an opportunity for you to get the latest information regarding apprenticeships and technical education. You will hear from a panel of leading apprenticeship employers from a range of sectors who are available to answer your questions about apprenticeship careers.

The session will include:

- An overview of apprenticeships and technical education
- Where to find apprenticeship opportunities
- Q&A with a panel of leading apprenticeship employers

This event is hosted by Ahead Partnership. It is free to attend and open to any parents, guardians or carers who are supporting a young person with careers advice.

To book your place on Demystifying Apprenticeships and Technical Education for Parents and Carers please follow the link below:
