

March 2024

Dear Family

As you are aware, we as a school consult regularly with families for feedback around many areas of school life, with one of these being extracurricular activities. As such, I am writing to make you aware of a proposed Dixons Unity Academy Ski Trip in 2025.

This trip would be for current years 7 to 10 students and would take place outside of term time to avoid any lost learning. At present, we are currently obtaining quotes from a variety of booking agents but expect the total cost to be approximately £1200 for travel, ski hire, lift passes, food and accommodation. We recognise this represents a significant cost. To support families there would be a range of payment options available including a payment plan.

Therefore, at this stage I am looking to ascertain as to whether the trip would be viable to run next Academic Year. If this is a trip you would like your child/ren to attend, please have them see myself for a printed version of this letter. You are then to complete the letter of intent slip below and have them return it to Main Reception by Thursday 28 March.

I thank you in advance for your support, should you require any further information please do not hesitate to contact Main Reception.

Yours faithfully

J McCormack
