

July 2024

Dear families

As the academic year comes to a close, our annual Sports Day is fast approaching. This event will take place on Wednesday 17 July 2024. This is a fantastic event that provides students the opportunity to get active, demonstrate our values and drivers and have a fun filled day of sport.

To ensure students are prepared for all types of weather, we advise for students to bring the following items for Sports Day:

- Water bottle
- Sun cream
- Hat that provides shade
- Raincoat

This is to ensure that all students are hydrated as well as being safe for either hot temperatures or rain.

Students will be required to arrive at the academy in their Dixons Unity PE kit, ready to make a positive start to the day. The start and end time of the day is normal, and students will be expected to arrive at the academy before 07:56am.

The events that your child may participate in are as follows:

- 100m sprint
- Obstacle race
- Walking race
- 4 x 25m relay
- 3-legged race
- Javelin
- Shot Putt
- Standing long jump
- High jump

There will be an award ceremony in Morning Meeting the following morning where we will reveal the overall winner for the year group. It is important that students attend Sports Day with positivity, a can-do attitude and strive to be the best that they can be.

If you have any questions regarding Sports Day, please do not hesitate to email myself at Jburn2@dixonsua.com or call the school using 0113 5125530 where we can answer any questions you have.

We look forward to seeing students making and breaking new records and raising the bar for other students to try and compete with.

Yours faithfully

Mr. Burn
