

April 2024

Dear families

As we move towards the end of Year 8, it is now time for your child to choose their options for GCSE. We have been working with your child during lessons and assemblies to develop their knowledge of the options available to them.

We invite you and your child to attend our Options Evening on Thursday 25 April from 5pm to 6pm. This is a vital stage in your child's secondary education and so it is important that you are involved in your child's options process. We really hope that you continue to support your child in making the right choices for them.

The academy will use an online form to gather students' preferences. We politely ask that this form is completed no later than Friday 3 May. Please do not complete the form more than once.

We look forward to seeing you on Thursday 25 April however, please do not hesitate to contact the Main Office should you require any further information.

Yours faithfully
